Dear Ms Coupe

REDBANK COPPER LIMITED – VOLUNTARY SUSPENSION EXTENSION REQUEST

In accordance with ASX Listing Rule 17.2, the Directors of Redbank Copper Limited ('the Company' or 'Redbank', ASX Code: RCP) hereby request an extension of the voluntary suspension of the Company's securities effective from the commencement of trading on Thursday, 14 May 2020.

Further to the Company's request for an extension to the voluntary suspension on Tuesday, 31 March 2020, the Company is not in a position to make an announcement at this time and requests the voluntary suspension be extended.

On 10 February 2020, the Company issued an announcement detailing the issue of convertible loans with conversion being subject to shareholder approval. The Company released a Notice of Extraordinary General Meeting ('EGM') on 17 April 2020 seeking the necessary shareholder approval, amongst other things. The EGM will be held on Thursday, 21 May 2020.

The Company previously advised its intention to come out of voluntary suspension pending an announcement regarding the overall standing of the Company post a continued review of the Company by the newly appointed Board. The Board continues its review and believes it is prudent to maintain the Company in suspension until after the EGM.

The Company requests that the voluntary suspension remain in place until the release of an announcement regarding the overall standing of the Company and the results of the EGM, which it expects to make by Friday, 22 May 2020.

The Company is not aware of any reason why the extension of the voluntary suspension should not be granted. The Company is not aware of any other information necessary to inform the market about the extension of the voluntary suspension.

This request has been authorised and approved for issue by the RCP Board.

Yours faithfully

Kelly Moore
