Dear Ms Coupe

REDBANK COPPER LIMITED – VOLUNTARY SUSPENSION EXTENSION REQUEST

In accordance with ASX Listing Rule 17.2, the Directors of Redbank Copper Limited ('the Company' or 'Redbank', ASX Code: RCP) hereby request an extension of the voluntary suspension of the Company's securities effective from the commencement of trading on Monday, 14 September 2020.

Further to the Company's request for an extension to the voluntary suspension on Friday, 11 September 2020, the ASX has reviewed the 16 additional items of further information provided by the Company on Tuesday, 8 September 2020 and indicated that the Company will be reinstated to quotation.

Given the length of time the Company has been suspended, a day is required between the release of re-instatement disclosure documents, which will be lodged on Monday, 14 September 2020, and expected reinstatement on Tuesday, 15 September 2020.

Therefore, Redbank requests that the voluntary suspension remain in place until reinstatement to quotation, which is expected on Tuesday, 15 September 2020.

The Company is not aware of any reason why the extension of the voluntary suspension should not be granted. The Company is not aware of any other information necessary to inform the market about the extension of the voluntary suspension.

This request has been authorised and approved for issue by the RCP Executive Chairman.

Yours faithfully

Michael Hannington
Executive Chairman
